

Use of Genetic Information in Insurance Underwriting

You are invited to participate in a short 15 to 20-minute anonymous online survey about your experiences and attitudes concerning use of genetic information in health, life and travel insurance in Australia.

You can participate if you are aged 18 years or over, have a family history of a genetic condition, and were asymptomatic at the time of your experience.

If you are interested in participating, please go to:

<https://www.surveymonkey.com/r/insurance18> Here, you will be provided with a participant information sheet with details about the research study. For further questions, please contact the student researcher, Brenely Vargas Murillo at nvar6478@uni.sydney.edu.au.

Thank you.
